Subject: Protect Portland's industrial jobs

The living-wage jobs in our harbor are critical to our economy. Please keep that in mind.

I am all for a clean river. We all enjoy visiting the parks and trails near the Willamette. But I also know that the river helps produce millions in wages for people and companies who work in the Portland harbor. Please be sure that your plan is good for them, too.

Please do whatever you can to support the river and our health but also to make sure our jobs don't go away.

Sincerely,
